Naša prva godina...

... je puna nasmejanih lica, pozitivnih vibracija i dobrog raspoloženja.

Uspeli smo da budemo ona šarena tačka gradskih dešavanja koju svaki veliki grad na planeti ima. Jedinstveno mesto koje karakteriše sofisticirana atmosfera, odabrani ukusi i mirisi, jazz-funk-disco-soul zvuci, lagani razgovori.

Sa naših gramofona dolaze najbolji setovi dokazanih niških DJ majstora; Funky Junkie, OneDiscoFan, Bojan, Nick Sailor, Sava, Vojin.

Na stageu sviraju vrhunski bendovi: So&So Band, Orange band, Milica&Car&Sole.

Mi smo PUB u kome se piju odabrana premium piva. CLUB u kome se uvek traži mesto više i vikendom je poželjna rezervacija.

RESTORAN u kome kreativnu fusion kuhinju zaokružuje buke vrhunskih vina u skladnu celinu.

Prva godina je pokazala da naš koncept ima svoje mesto na niškom urbanom nebu. Hub je mesto susreta kao što mu i samo ime kaže, kako nišlija tako i njihovih gostiju i turista. U drugoj godini obećavamo još bolju zabavu, još više nezaboravne muzike i momenata koje ćete pamtili.

Vaš Hub team :-|

Our first year...

... is full of smiling faces, positive vibes and good mood.

We have managed to be the colourful spot of urban happenings that every major city on the planet has. A unique place characterized by sophisticated atmosphere, selected flavours and smells, jazz-funk-disco-soul sounds, light conversations.

From our record players come the best sets of proven Niš DJ masters; Funky Junkie, OneDiscoFan, Bojan, Nick Sailor.

Top bands play on our stage: So & So Band, Blackberries, Milica & Car & Sole.

We are the PUB where selected premium beers are served.

The CLUB where you always look for one more free place and at weekends reservations are advisable.

The RESTAURANT where creative fusion cuisine is round out by the bouquet of fine wines into the harmonious whole.

The first year showed that our concept has its place in the urban sky of Niš. The Hub is a meeting place as its name implies, for both people from Niš and their guests and tourists. In the second year, we promise even better fun, more memorable music and moments to remember.

DOLCEZZA

Čajevi - Dolcezza

U drevnoj Kini je postojala izreka: "Bolje tri dana bez hrane nego jedan dan bez čaja!". Predstavljamo Vam četiri kategorije ovog nenadmašivog napitka:

Crni čaj: čaj za prave ljubitelje čaja. Veoma jakog ukusa i mirisa i često se pije sa mlekom.

Zeleni čaj: Najzdraviji od svih čajeva. Snižava holesterol, poboljšava cirkulaciju, pomaže u prevenciji mnogih ozbiljnih bolesti.

Crveni čaj - Rooibush (Afrički grm): Izuzetno zdrav čaj prijatnog ukusa bez kofeina, dobar za decu i za kasno popodne i večer. Veoma je bogat vitaminom C i mineralima.

Naš grad je...

Glavna raskršnica puteva i centar Balkana kako geografski tako i po značaju koji ima, jer povezuje zapadnu Evropu sa južnim i bliskim istokom. Niš nazivaju kapijom istoka i predvorjem zapada. Treći je grad po veličini u Srbiji, sa svojih 300.000 stanovnika i regijom od dva miliona koja gravitira ka njemu. Svojim ekonomskim potencijalom privlači veliki broj stranih i domaćih greenfield investicija i značajan je centar biznisa.

U nekadašnjem rimskom Naissusu rođen je imperator Konstantin, jedini rimski car koji je proglašen za sveca jer je svojim ukazom iz 313. poznatim pod nazivom Milanski edikt "legalizovao" hrišćanstvo. Mozaike i ostatke njegove palate Mediana danas posećuju turisti iz celog sveta. Turisti koji u Niš dolaze i zbog ukusne hrane, stare tvrđave, muzičkih festivala, lepih devojaka, čuvenog južnjačkog gostoprimstva i domaćina otvorenog srca.

Nišvil muzički festival, Čele kula, Čegar, Filmski susreti, Simfonijski orkestar, samo su neke od manifestacija i tačaka koje obeležavaju grad i privlače ljude.

Ovde se studira na nekom od 13 fakulteta niškog univerziteta. Odavde se sa aerodroma "Konstantin Veliki" leti u Beč, Milano, Bratislavu, Ciriħ, Berlin, Stokholm, Diseldorf, itd. U Nišu se šopinguje, provodi, dobro jede.

Ovakav grad zasluħuje svoj The Hub, kao što The Hub zasluħuje da se nalazi u ovakvom gradu.

Our city is...

The main intersection of the roads and the center of the Balkans both geographically and in the importance that it has, because it connects Western Europe to the south and the Middle East. Niš is called the gate of the east and the entrance hall to the west. The third largest city in Serbia, with its 300,000 inhabitants and a region of two million people gravitating towards it. With its economic potential, it attracts a large number of foreign and domestic greenfield investments and is a significant center of business.

In the former Roman Naissus the Emperor Constantine was born, the only Roman emperor who was proclaimed a saint because, by his decree in 313, known as the edict of Milan, he "legalized" Christianity. Mosaics and remains of his Mediana palace are now visited by tourists from around the world. Tourists who come to Niš also because of delicious food, the old fortress, music festivals, beautiful girls, famous Southern hospitality and an open heart hosts.

Nisville, Skull Tower, Čegar, Filmski susreti, Symphony Orchestra are just a few manifestations and places that mark the city and attract people.

Here young people are studying at one of the faculties of the University of Niš. From here, people fly to Vienna, Milan, Bratislava, Zurich, Berlin, Stockholm, Düsseldorf, etc. from the airport "Constantine the Great". People are shopping, having good time and eating well in Niš.

This city deserves The Hub, as The Hub deserves to be in such a city.

Nаша ulica...

TheHub je u gospodskoj kući Niša iz prvih decenija dvadesetog veka. Pažljivom restauracijom vratili smo joj dušu čija će aura svetleći žamorom ljudi, kvalitetnim muzičkim vibracijama, zveckanjem čaša i zvukom mešanja koktela.

Objekat dodatno dobija na značaju kada čujete zanimljivu priču o ulici u kojoj se nalazi.

Tragovi prošlosti su nas učvrstili u nameri da otvaranjem kluba učestvujemo u istoriji i dopišemo joj još jedno poglavlje. Ulica generala Tranića na čijem broju 1 se nalazimo, sedamdesetih godina prošlog veka postala je centralno mesto dešavanja novog buntovnog pokreta koji su karakterisali rock n' roll, deca cveća, hippie pokret koji je nosio mlade širom planete. Ovih stotina metara gradskog asfalta su bili štrafta kojom su svako veče šetale i gluvarile gradske face i cice, stajali naslonjeni na fasade starih zgrada i oko drvoreda, razmenjivale su se ploče Led Zeppelina, Doorsa, Jimi Hendrixa, Deep purple... Ovde su odrastale i zatjubljivale se generacije svih onih koji su se smatrali gradskom decom i urbanom gerilom i nisu želeli da se šetaju korzom u dve glavne ulice koji je bio rezervisan za običan svet. Nosile su se zvonare i šimike, duge kose i teksas prsluci, furao se "Peace and free love" fazon. Čak i danas možete čuti da neko kaže: „To ti se nalazi kod Hippi doline“, što je i trajno obeleženo tablom na fasadi na početku ulice. Zapisano za budućnost.

Our street...

An upper-class house in Niš which was built in the first decades of the twentieth century. With a careful restoration we returned it its soul and its aura will shine with the murmur of people, high-quality musical vibrations, clinking of glasses and the sound of mixing cocktails.

The building is getting more important when you hear the interesting story about the street in which it is located.

The traces of the past have strengthened our intention to participate in the history of the club and to add another chapter to it. The street where we are located, General Tranić number 1, in 1970s became the central place of the new rebellious movement that featured rock'n'roll, flower children, a hippie movement that seized young people across the globe. This hundred meters or so of the city asphalt were the promenade that city slickers and pretty babes were walking and hanging out every evening, standing leaned on the facades of old buildings and around the rows of trees, the records of Led Zeppelin, Doors, Jimi Hendrix, Deep Purple were exchanged ... Here grew up and fell in love generations of all those who were considered city children and urban guerrillas and did not want to walk the corso in the two main streets that were reserved for ordinary people. Bell-bottoms and pointed shoes were worn, long hair and denim vests, everybody was in the "Peace and free love" mood. You can hear even today that someone says: "It's in the Hippy Valley" which is permanently marked with a plaque on the facade at the beginning of the street. Written for the future.

I kao da to nije dovoljno, u našoj ulici u hotelu Niš je davne 1972. otvorena prva niška diskoteka, čuveni "Disco 13". Na samo dvadesetak metara od našeg ulaza nalazilo se tada najbolje mesto za večernji spust, gde se slušala dobra muzika sa pločā, u kome su radili prvi niški DJ-evi, kultni klub koji je ušao u legendu.

Dakle, naš zadatak je jasan, tradicija se mora nastaviti. Jednoga dana će sledeće generacije pisati o tome kako je u Hippi dolini, odmah preko puta nekadašnje diskoteke Trinaestica, decembra 2018. otvoren i čuveni niški Club & Pub, kultni The Hub :-)

And as if that was not enough, in our street in the "Niš hotel", in the year of 1972, the first discotheque in Niš, the famous "Disco 13", was opened. Only twenty meters from our entrance there was then the best place for the evening going out, where good music from the recordings was played, where the first Niš DJs worked, a cult club that went into the legend.

So, our task is clear, the tradition must continue. One day the following generations will write about how in the Hippy valley, just across the former Disco 13, in November 2018, a famous Club & Pub was opened, the cult The Hub :-)

Naš koncept...

Klub koji će trajati, koji će biti upisan kako u imenicima svih koji nešto znače u našem gradu da bi rezervisali svoje stolove, tako i u turističkim itinererima kao tačka koju ne smete zaobići kada posetite Niš.

Jedinstveno mesto koje će karakterisati sofisticirana atmosfera, odabrani ukusi i mirisi, jazz-funk-soul-lounge-chill zvuci, lagani razgovori i nasmejana lica.

Sa čijih gramofona će dolaziti najbolji DJ setovi. Na čijem stageu će svirati vrhunski bendovi. Čijim gostima će raspoloženje podizati stand up komičari na redovnim mesečnim sesijama. Pub u kome će se piti samo odabrana premium piva. Club u kome će se duskati opušteno uz koktele. Restoran gde će kreativna fusion kuhinja zaokruživati buke vrhunskih vina u skladnu celinu.

"Čvorište" i odredišna tačka gradskih urbanih vibracija kako i dolikuje mestu iznad čijeg ulaza svetli natpis "The Hub", odnosno mesto spajanja i susreta kako mu samo ime kaže i znači, gde će svi dolaziti po svoju dozu dobrog provoda i odlaziti nasmejeni i puni pozitivne energije.

Our concept...

A club that will last, which will be noted in address books of everyone who is important in our city to reserve their tables, as well as in tourist itineraries as a point you cannot skip when you visit Niš.

A unique place characterized by sophisticated atmosphere, selected tastes and scents, jazz-funk-soul-lounge-chill sounds, light conversations and smiling faces.

From whose record players the best DJ sets come. On whose stage top bands play. Whose guests enjoy stand-up comedians on regular monthly sessions. A pub where only selected premium beers are drunk. A club where you can relaxingly dance with cocktails. A restaurant whose creative fusion cuisine rounds the bouquet of fine wines into a harmonious whole.

"The knot" and the destination point of urban city vibrations, as it is appropriate for the place above whose entrance "The Hub" lights up, that is, the place of joining and meeting according to its name, where everyone will come for their dose of good fun and leave smiling and full of positive energy.
